The Blue Collection - Belts and Pouches

The Blue Collection tool holders and pouches are designed and manufactured in Europe, are both innovative and stylish. With over 50 designs using the highest quality materials they are technically advanced with comfort and safety being important features. Air-mesh material allowing circulation of air for the wearer, and high-visibility reflective inlays have been incorporated into the design. All metal parts including the riveted seams are manufactured from stainless steel parts ensuring extended durability and extra security when holding heavy items. The range now covers, Tool Holders, Pouches, Belts, Forestry, and a new collection of Bags and Holdalls.

Visit our website www.makita.co.uk or see page 14 of our accessory book for full range.
